

# When Easter Comes Around

by Margaret Allen

I'll wear an Easter bonnet,  
I'll stand up straight and tall.  
I'll make an Easter basket  
To share with one and all.

I'll draw some Easter pictures  
Of bunnies, ducks, and  
chicks.

I'll show them all to Dad  
To see which one he picks.

I'll dye some Easter eggs  
To hide without a sound.  
Oh, what fun I'll have  
When Easter comes around!
