

Math Centers in a Minute

by Dr. Maggie Allen

2. Look, See, Sort for Me

- * One basket
- * Plastic fruit & veggies
(check \$ store / Target's \$ section)
- * Keys, milk jug tops, nuts
- * Plastic bug specimens
- * Sorting mat or Sorting T mat
- * Math Journals / Science Learning Logs

Children sort objects by category and after displaying their data, record it in their journals.

3. Birthday Math Center Bag

- * One bag
- * Balloons / party favors
- * Math fact cards
- * Birthday poem "Cakes, Cakes, Cakes"

Children use items as counters to make and record problems in their journals.
