

# Chuckie Groundhog

By Dr. Maggie Allen

His name is Chuckie,  
He's a little groundhog.  
He likes to play outside  
And hide by a log.  
But when it's cold outside,  
He'll dig deep and snore,  
And when spring comes,  
He'll play out once more.

Chuckie, it's a sunny day.  
Chuckie, will you come out to play?

(chant) *Well, what is it? What do you say?  
Chuckie Groundhog, will you come out today?*

No, no,  
No, I say. I won't come out on a sunny day.

(chant) *Oh, no? No, you say?  
You won't come out on a sunny day? (Oh, well!)*

Chuckie, it's a cloudy day.  
Chuckie, will you come out to play?

(chant) *Well, what is it? What do you say?  
Chuckie Groundhog, will you come out today?*

Yes, yes,  
Yes, I say. I'll come out on a cloudy day.  
Yes, oh, yes, I'll come out and stay!

My name is Chuckie,  
I'm a little groundhog.  
I like to play outside  
And hide by a log.  
But when it's cold outside,  
I'll dig deep and snore,  
And when spring comes,  
I'll play out once more.  
And when spring comes,  
I'll play out once more.
