

Special Secret Hearts

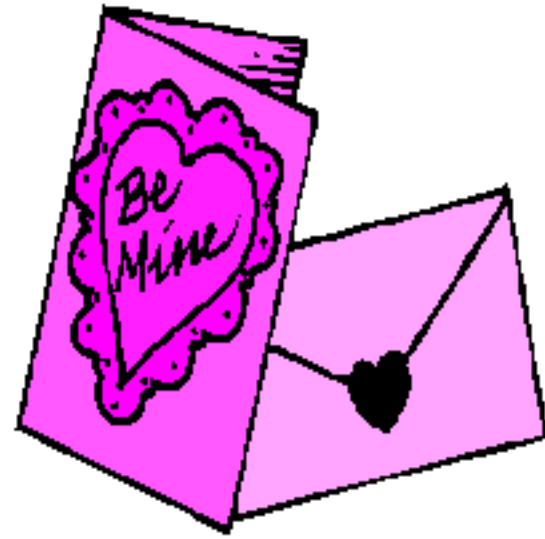

Teach children this valentine rhyme. Call children's attention to the way in which the same sentiment can be conveyed through poem or song.

Secret Hearts

By Dr. Maggie Allen

Secret hearts
On a special day,
Secret hearts
Are coming your way.

You'll just have to wonder
Who sent you this.
'Cause all I'm signing
Is "Sealed with a kiss!"

Artistic Valentine

Provide heart-shaped sponges and white, pink, and red finger paint. Have students paint heart designs. Ask children to label their artwork with a title or create a poem to present to a parent/guardian on Valentine's Day.
