

Air Is Everywhere

By Dr. Maggie Allen

Air, air
Air is here and there.
Air, air,
Air is everywhere.

Air is in my cup
Before I pour my tea.
Air is in the car
Between you and me.

Air is in the vase
Before I put in the rose.
Air is around my feet,
Even between my toes!

Air, air,
Air is here and there.
Air, air,
Air is everywhere.
